

Overview September 2022

Core Concepts of Art:

- Drawing, Painting and mixed-media, Sculpture and 3D , Craft and design

Term	Reception/ Yr 1 Year A	Reception/ Yr 1 Year B	Yr 1-2 Year A	Yr 1-2 Year B
Autumn	Painting and mixed media Paint my world (Year R)	Craft and design : Lets get Crafty (Year R)	Drawing : Tell a story (Yr 1)	Painting and mixed media: Colour splash (Yr 1)
Spring	Drawing: Make your mark (omit lesson 3) (Yr 1)	Drawing :Marvelous Marks (Year R)	Sculpture and 3D: Paper play (Yr 1)	Drawing: Make your mark (omit lesson 3) (Yr 1)
Summer	Sculpture and 3D: Paper play (Yr 1)	Painting and mixed media : Colour splash (Yr 1)	Craft and design: Map it out (5 lessons) (Yr 2)	Sculpture and 3D: Clay houses (5 lessons) (Yr 2)

Term	Year 3 Year A	Year 4
Autumn	Drawing: Growing artists (5 lessons)	Drawing: Power prints (5 lessons)
Spring	Craft and design: Ancient Egyptian scrolls (5 lessons)	Painting and mixed media: Light and dark (5 lessons)
Summer	Sculpture and 3D: Abstract shape and space - coming soon! (5 Lessons)	Craft and design: Fabric of nature (5 lessons)

Term	Year 5	Year 6
Autumn	Sculpture and 3D: Interactive installation (5 lessons)	Craft and design: Photo opportunity (5 lessons)
Spring	Drawing: I need space (5 lessons)	Sculpture and 3D: Making memories (5 lessons)
Summer	Painting and mixed media: Portraits (5 lessons)	Painting and mixed media: Artist study

Reception/ Year 1 – Year B Progression of skills.

	EYFS (Reception) <u>Let's get crafty!</u>	EYFS (Reception) <u>Marvellous marks</u>	Year 1 <u>Colour splash</u>
Generating ideas			
Sketch-books	Explore and play with a range of media to make child-led creations.	Talk about their ideas and explore different ways to record them.	Explore their own ideas using a range of media.
	N/A	Experiment with mark making in an exploratory way.	Use sketchbooks to explore ideas in an open-ended way.
Making skills (including Formal elements)	Design something and stick to the plan when making. Cut, thread, join and manipulate materials with instruction and support, focusing on process over outcome.	Use a range of drawing materials such as pencils, chalk, felt tips and wax crayons. Work on a range of materials of different textures (eg. playground, bark). Begin to develop observational skills by using mirrors to include the main features of faces in their drawings.	Experiment with paint, using a wide variety of tools (eg brushes, sponges, fingers) to apply paint to a range of different surfaces. Begin to explore colour mixing. Play with combinations of materials to create simple collage effects. Select materials based on their properties, eg <i>shiny, soft</i> .
Knowledge of artists	Enjoy looking at and talking about art.	Enjoy looking at and talking about art.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.
Evaluating and analysing	Talk about their artwork, stating what they feel they did well.	Talk about their artwork, stating what they feel they did well.	Describe and compare features of their own and other's art work.
analysing			

Year 1/2 –Year A progression of skills

	Year 2 <u>Tell a story</u>	Year 1 <u>Paper play</u>	Year 2 <u>Map it out</u>
Generating ideas	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.
Sketch-books	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.
Making skills (including Formal elements)	Further develop mark-making within a greater range of media, demonstrating increased control. Develop observational skills to look closely and reflect surface texture through mark-making.	Use their hands to manipulate a range of modelling materials, including paper and card.. Explore how to join and fix materials in place. Create 3D forms to make things from their imagination or recreate things they have seen.	Respond to a simple design brief with a range of ideas. Apply skills in cutting, arranging and joining a range of materials to include card, felt and cellophane. Follow a plan for a making process, modifying and correcting things and knowing when to seek advice.
Knowledge of artists	Experiment with drawing on different surfaces, and begin to explore tone using a variety of pencil grade (HB, 2B, 4B) to show form, drawing light/dark lines, patterns and shapes. Talk about art they have seen using some appropriate subject vocabulary.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.
Evaluating and analysing	Be able to make links between pieces of art. Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.

Making skills (including Formal elements)	<p>Apply observational skills, showing a greater awareness of composition and demonstrating the beginnings of an individual style.</p> <p>Use growing knowledge of different drawing materials, combining media for effect.</p> <p>Demonstrate greater control over drawing tools to show awareness of proportion and continuing to develop use of tone and more intricate mark making.</p>	<p>Explore the way paint can be used in different ways to create a variety of effects, eg creating a range of marks and textures in paint.</p> <p>Develop greater skill and control when using paint to depict forms, eg beginning to use tone by mixing tints and shades of colours to create 3D effects.</p> <p>Work selectively, choosing and adapting collage materials to create contrast and considering overall composition.</p>	<p>Learn new making techniques, comparing these and making decisions about which method to use to achieve a particular outcome.</p> <p>Design and make art for different purposes and begin to consider how this works in creative industries.</p>
Knowledge of artists	Use subject vocabulary confidently to describe and compare creative works.	Use subject vocabulary confidently to describe and compare creative works.	Use subject vocabulary confidently to describe and compare creative works.
Evaluating and analysing	<p>Use their own experiences of techniques and making processes to explain how art works may have been made.</p> <p>Build a more complex vocabulary when discussing their own and others' art.</p> <p>Evaluate their work more regularly and independently during the planning and making process.</p>	<p>Use their own experiences of techniques and making processes to explain how art works may have been made.</p> <p>Build a more complex vocabulary when discussing their own and others' art.</p> <p>Evaluate their work more regularly and independently during the planning and making process.</p>	<p>Use their own experiences of techniques and making processes to explain how art works may have been made.</p> <p>Build a more complex vocabulary when discussing their own and others' art.</p> <p>Evaluate their work more regularly and independently during the planning and making process.</p>

Skills progression Year 5

	Year 5 <u>Interactive installation</u>	Year 5 I need space	Year 5 <u>Portraits</u>
Generating ideas	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.

Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.
Making skills (including Formal elements)	Investigate how scale, display location and interactive elements impact 3D art. Plan a 3D artwork to communicate a concept, developing an idea in 2D into three-dimensions. Persevere when constructions are challenging and work to problem solve more independently.	To use a broader range of stimulus to draw from, such as architecture, culture and photography. Begin to develop drawn ideas as part of an exploratory journey. Apply known techniques with a range of media, selecting these independently in response to a stimulus. Draw in a more sustained way, revisiting a drawing over time and applying their understanding of tone, texture, line, colour and form.	Apply paint with control in different ways to achieve different effects, experimenting with techniques used by other artists and applying ideas to their own artworks eg making choices about painting surfaces or mixing paint with other materials. Develop a painting from a drawing or other initial stimulus. Explore how collage can extend original ideas.
Knowledge of artists	Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work. Skills progression Year 6

	Year 6 <u>Photo opportunity</u>	Year 6 Making memories	Year 6 <u>Artist study</u>
Generating ideas	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketch-books	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	Develop personal, imaginative responses to a design brief, using sketchbooks and independent research. Justify choices made during a design process, explaining how the work of creative practitioners have influence their final outcome.	Uses personal plans and ideas to design and construct more complex sculptures and 3D forms. Combine materials and techniques appropriately to fit with ideas. Confidently problem-solve, edit and refine to create desired effects and end results.	Manipulate paint and painting techniques to suit a purpose, making choices based on their experiences. Work in a sustained way over several sessions to complete a piece. Analyse and describe the elements of other artists' work, e.g. the effect of colour or composition.. Consider materials, scale and techniques when creating collage and other mixed media pieces. Create collage in response to a stimulus.
Knowledge of artists	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Work collaboratively on a larger scale.
Evaluating and analysing	Give reasoned evaluations of their own and others work which takes account of context and intention. Independently use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work. 	Year 1	Year 2
Colour	<p>Know that the primary colours are red, yellow and blue.</p> <p>Know that primary colours can be mixed to make secondary colours:</p> <ul style="list-style-type: none"> • Red + yellow = orange • Yellow + blue = green • Blue + red = purple 	<p>Know that different amounts of paint and water can be used to mix hues of secondary colours.</p> <p>Know that colours can be mixed to 'match' real life objects or to create things from your imagination</p> <p>Know that colour can be used to show how it feels to be in a particular place, eg the seaside</p>
Form	<p>Know that we can change paper from 2D to 3D by folding, rolling and scrunching it.</p> <p>To know that three dimensional art is called sculpture.</p>	<p>Know that 'composition' means how things are arranged on the page.</p> <p>Know that pieces of clay can be joined using the 'scratch and slip' technique.</p> <p>Know that a clay surface can be decorated by pressing into it or by joining pieces on.</p>
Shape	<p>Know a range of 2D shapes and confidently draw these.</p> <p>Know that paper can be shaped by cutting and folding it.</p>	<p>Know that collage materials can be shaped to represent shapes in an image.</p> <p>Know that shapes can be organic (natural) and irregular.</p> <p>Know that shapes can be geometric if they have mostly straight lines and angles.</p> <p>Know that patterns can be made using shapes.</p>
Line	<p>Know that drawing tools can be used in a variety of ways to create different lines.</p> <p>Know that lines can represent movement in drawings.</p>	<p>Know that lines can be used to fill shapes, to make outlines and to add detail or pattern.</p>

	Year 1	Year 2
Pattern	<p>Know that a pattern is a design in which shapes, colours or lines are repeated.</p>	<p>Know that surface rubbings can be used to add or make patterns.</p> <p>Know that drawing techniques such as hatching, scribbling, stippling, and blending can make patterns.</p> <p>Know that patterns can be used to add detail to an artwork.</p>
Texture	<p>Know that texture means 'what something feels like'</p> <p>Know that different marks can be used to represent the textures of objects</p> <p>Know that different drawing tools make different marks.</p>	<p>Know that collage materials can be chosen to represent real-life textures.</p> <p>Know that collage materials can be overlapped and overlaid to add texture.</p> <p>Know that drawing techniques such as hatching, scribbling, stippling, and blending can create surface texture.</p>
Tone	<p>Know that 'tone' in art means 'light and dark'.</p> <p>Know that we can add tone to a drawing by shading and filling a shape.</p>	<p>Know that shading helps make drawn objects look more three dimensional.</p> <p>Know that different pencil grades make different tones.</p>

	Year 3	Year 4	Year 5	Year 6
Colour	<p>Know that using light and dark colours next to each other creates contrast.</p> <p>Know that paint colours can be mixed using natural substances, and that prehistoric peoples used these paints.</p>	<p>To know that adding black to a colour creates a shade.</p> <p>To know that adding white to a colour creates a tint.</p>	<p>To know that artists use colour to create an atmosphere or to represent feelings in an artwork, for example by using warm or cool colours.</p>	<p>To know that a 'monochromatic' artwork uses tints and shades of just one colour.</p> <p>To know that colours can be symbolic and have meanings that vary according to your culture or background, eg red for danger or for celebration.</p>
Form	<p>To know that three dimensional forms are either organic (natural) or geometric (mathematical shapes, like a cube).</p> <p>To know that organic forms can be abstract.</p>	<p>To know that using lighter and darker tints and shades of a colour can create a 3D effect.</p> <p>Know that simple 3D forms can be made by creating layers, by folding and rolling materials.</p>	<p>To know that an art installation is often a room or environment in which the viewer 'experiences' the art all around them.</p> <p>To know that the size and scale of three-dimensional art work changes the effect of the piece.</p>	<p>To know that the surface textures created by different materials can help suggest form in two-dimensional art work.</p>
Shape	<p>To know that negative shapes show the space around and between objects.</p>	<p>To know how to use basic shapes to form more complex shapes and patterns.</p>	<p>To know that a silhouette is a shape filled with a solid flat colour that represents an object.</p>	<p>To know how an understanding of shape and space can support creating effective composition.</p>
Line	<p>To know that different drawing tools can create different types of lines.</p>	<p>To know that lines can be lighter or darker, or thicker or thinner and that this can add expression or movement to a drawing.</p>	<p>To know that lines can be used by artists to control what the viewer looks at within a composition, eg by using diagonal lines to draw your eye into the centre of a drawing.</p>	<p>To know how line is used beyond drawing and can be applied to other art forms.</p>

	Year 3	Year 4	Year 5	Year 6
Pattern	<p>To know that pattern can be man-made (like a printed wallpaper) or natural (like a giraffe's skin).</p> <p>To know that the starting point for a repeating pattern is called a motif, and a motif can be arranged in different ways to make varied patterns.</p>	<p>To know that symmetry can be used to create repeating patterns.</p> <p>To know that patterns can be irregular, and change in ways you wouldn't expect.</p>	<p>To know that artists create pattern to add expressive detail to art works, for example Chila Kumari Singh Burman using small everyday objects to add detail to sculptures.</p>	<p>To know that pattern can be created in many different ways, eg in the rhythm of brushstrokes in a painting (like the work of van Gogh) or in repeated shapes within a composition.</p>
Texture	<p>To know that texture in an artwork can be real (what the surface actually feels like) or a surface can be made to appear textured, as in a drawing using shading to recreate a fluffy object.</p>	<p>To know how to use texture more purposely to achieve a specific effect or to replicate a natural surface.</p>	<p>To know how to create texture on different materials.</p>	<p>To know that applying thick layers of paint to a surface is called impasto, and is used by artists such as Claude Monet to describe texture.</p>
Tone	<p>To know some basic rules for shading when drawing, eg shade in one direction, blending tones smoothly and with no gaps.</p> <p>To know that shading is used to create different tones in an artwork and can include hatching, cross-hatching, scribbling and stippling.</p>	<p>To know that using lighter and darker tints and shades of a colour can create a 3D effect.</p> <p>To know that tone can be used to create contrast in an artwork.</p>	<p>To know that tone can help show the foreground and background in an artwork.</p>	<p>To know that chiaroscuro means 'light and dark' and is a term used to describe high-contrast images.</p>
