February 2022

Dear Parents,

We have been successful throughout the coronavirus pandemic in keeping our fees as low as possible. Our last fees increase took place in spring 2018. However, it has become inevitable that we now have to pass on some of the ever-increasing costs that we face and implement an increase to our hourly rate in order for our Nursery to remain sustainable and accessible.

As agreed by our Governing Board the new hourly rate will come into effect from 1<sup>st</sup> April 2022.

The new rate for 2 year olds will be:

7.30 am - 9am	£2.38 per $\frac{1}{2}$ hour
9am - 3pm	£4.75 per hour
3pm - 5.30pm	£2.38 per $\frac{1}{2}$ hour

The new rate for 3 & 4 year olds will be:

7.30 am - 9am	£2.25 per $\frac{1}{2}$ hour
9am - 3pm	£4.50 per hour
3pm - 5.30pm	£2.25 per $\frac{1}{2}$ hour

The increase in fees will ensure that our Nursery can continue providing the excellent quality-learning environment and comprehensive care that we currently provide, whilst ensuring our sustainability in the future.

Should you have any questions or queries, please do not hesitate to contact one of us.

Yours faithfully,

Hollie Westlake  
Manager
