Going to church to attend the Ash Wednesday Service

PSHE: to understand why rules are important

DT: To include individual preferences and requirements in my windmill design

Computing: to know how to use a computer to paint

History: to know how we find out about the past

Website of the Week: <https://www.bbc.co.uk/bitesize/articles/zf3r96f> See the amount! We have played this in school and we love it! Have a go at using your subatiscing skills to 'see the amount' instead of counting!

Practical Activity: Ahoy, Get your scissors at the ready! Have a go at practising your cutting skills using the attached cutting pages, or some scrap paper at home.

Don't forget: "Fingers on the bottom, thumb on the top, OPEN up the scissors and CHOP, CHOP, CHOP!"
